## Conformity

STAEDTLER coloured pencils meet the standards:

Products conform to the European Directive 2009/48/EC 'safety of toys' and therefore bear the CE mark.

Product conform to the UK Toys (safety) Regulations 2011 (SI 2011/1881) and therefore bear the UKCA symbol

EN 71 Testing is carried out in accordance with the European standard EN 71:  
EN 71/1 EN 71/1 Mechanical and physical properties  
EN 71/3 EN 71/3 Migration of certain elements  
EN 71/9 EN 71/9 Organic chemical compounds – Requirements.  
To be tested: lead, wood, lacquering and packaging.

The products meet the Regulations (EC) No 1907/2006 (REACH) concerning the Registration, Evaluation, Authorization and Restriction of Chemicals.  
In accordance with REACH Regulation, Article 33, you will find our current articles subject to mandatory reporting under the following link <https://www.staedtler.com/REACH>

## Usage notes

Jumbo sized 12-sided coloured pencils. Specially designed for small hands, ideal for first drawing and colouring  
ABS Anti-Break-System:  
Superior quality lead with the white protective coating reinforces the lead core and increases break-resistance.

**Staedtler** has been certified to ISO 9001 and ISO 14001 and considered in the selection of raw materials and their processing in the relevant national and international laws to protect the users.
