²⁾ Tests are made in accordance with the European standard EN 71, part 3 (toxic heavy metals)

Conformity

The products meet the Regulations (EC) No 1907/2006 (REACH) concerning the Registration, Evaluation, Authorization and Restriction of Chemicals. In accordance with REACH Regulation, Article 33, you will find our current articles subject to mandatory reporting under the following link <https://www.staedtler.com/REACH>

Usage notes

High quality pencils for professional sketches and drawings.
The finely graded degrees (from 6B to 2H) produce clear lines and structures as well as subtly differentiated shades of grey and black.

Staedtler has been certified to ISO 9001 and ISO 14001 and considered in the selection of raw materials and their processing in the relevant national and international laws to protect the users.
